

The Irish Volunteer Movement in Kilkenny

A sub-committee meeting was held on Wednesday night, 25th inst, the Mayor (Councillor Magennis, P.L.G.) presiding over a full attendance of members.

Stewards and collectors of contributions were appointed for the different drill nights.

The Misses Ryan and Hennessy attended re a proposal of organising an Ambulance and "First Aid" corps, and the question was referred to a small committee, to acquire information and report.

It was decided to secure a supply of badges for the Corps.

The Drillmaster (who attended) said he was very pleased with the whole-hearted manner with which the recruits went through the drills, the precision of which was already very marked.

It was ordered that application be made to the Poor Law Board, for permission to use the grounds known as the "Shankyard" as a rifle range.

The Hon. Sec. was directed to arrange with Gas manager for the lighting of the Hall.

The public who are in sympathy with the Volunteer movement, are again earnestly appealed to for subscriptions.

Names of persons desirous to enlist will be taken at City Hall at 9 o'clock every Wednesday night, or at the same hour at Drill Hall on drill nights.
