**FIRST GRAND SHOW OF IRISH MANUFACTURE, 1916.**

**Irish Tweeds, Serges and Suitings from the Irish Mills; Irish Boots from the Irish Factories; Irish Shirts from the best Irish Markets.**

Last Summer and early Autumn we placed large orders with the Irish Mills for our Spring delivery of this year. We expect nearly all will be delivered first week in March, and with all the advantages of last year's prices. The goods are the best, the style newest, and, for price, compares favourably with Scotch or English. Our own Kilkenny Mill will be well represented in the display, as well as Mahony's, Morrogh's, O'Brien's, of Cork; Hill, Dublin; Clayton's of Navan, etc.

In the Boots, we have already delivered 3,000 pairs, Men's, Women's, and Children's, all guaranteed Irish; best goods. Nearly all the Shirts we sell are of Irish Manufacture, although the cloths in some cases are made in England. It has been our custom for many years to make a big show of Irish Goods first week of March. This year the show is bigger than ever.
